The Department of Endogenous Regulation

The Laboratory of Oxylipins The Laboratory of Redox Metabolism The Laboratory of Molecular Biology Group of Protein Metabolism

Group of Signaling Systems

The Department of Biotechnology

The Laboratory of Plant Productivity The Laboratory of Physiology and Genetics of Plant Cell Cultures

Laboratories

The Laboratory of Plant Cells Growth Mechanisms The Laboratory of Molecular Basis of Pathogenesis The Laboratory of Biophysical Chemistry of Nanosystems

The Laboratory of Biophysics of Transport Processes

The Laboratory of Biophysics of Synaptic Processes

The Laboratory of Microscopy
